Licensing: All owners and trainers are to be properly licensed as required by the Kansas Racing and Gaming Commission. As per Stewards order, it is hereby ordered that entries to all races to be run during the 2007 race meet at The Woodlands may be accepted by the Racing Office from unlicensed trainers provided that such trainer, has, prior to such an entry, faxed to the Kansas Racing and Gaming Commission licensing offices at The Woodlands or the Racing Office at The Woodlands an application for licensure and thereafter fulfilled all requirements for the licensure prior to 10:00 am on the day of the race. It is hereby ordered that for the duration of the 2007 Woodlands race meet, that all owners must be licensed by one hour before first post of the race.

Owners and trainers are required to deposit Nomination Fees and Jockey Fees with the Horsemen's Bookkeeper before a horse starts in a race.

No more than two horses of the same interest or from the same trainer may be entered in any race except a stakes race or a divided race.

In all races, winners are preferred, except where the conditions state otherwise. A maiden entering a winners race must declare at time of entry such horse is a maiden.

If two or more horses are coupled only for the reason that the horses are trained by the same trainer, The Woodlands shall run the horses as separate betting interests.

A maiden has no preference over a same owner second choice winner in a winners preferred race.

In quarter horse races, no sex allowances or apprentice allowances will be given.

For safety purposes, races at 870 yards will be limited to eight horses.

Winners or non-winners of a stated sum means winners or non-winners of a single race of that value to the winner.

Owners and trainers must claim allowances and state penalties at the time of entry and are solely responsible if a horse starts with the wrong weight.

In handicaps, preference will be given based on weight assigned, adjusted for scale and sex allowance unless the conditions state otherwise.

Penalties and sex allowances shall be obligatory.

In today horses, excluding stakes, shall have least preference.

The nominations or entries of any person, or the transfer of any nomination or entry may be refused at any time.

THE WOODLANDS 2007 PREFERENCE SYSTEM

1. No horse shall receive a date until papers are on file in the Racing Office with current coggins.
2. To receive a zero date papers must be on file in the Racing Office by 5:00 p.m. on Tuesday, September 18 2007.
3. Horses whose papers are turned in after the zero date deadline will receive a date corresponding to that of the race day the papers were turned in on. Papers turned in on non-race days will be given a date corresponding with the next race day.
4. Preference dates will not supersede conditions of a race.
5. Horses that run will receive a running date corresponding to the date they race and lose all dates previously held. This includes stakes and handicaps.
6. Horses that scratch or are scratched will keep their preference as if they had run.
7. Horses placed on the Stewards, Veterinarian, Poor Performance or Starters list which ran on that race day will be given the corresponding date. Horses coming off of a list on a non-racing day will be given the next racing day's date.
8. Horses shall lose their date by racing at another track or by entering to run at another track.
9. The Racing Secretary will determine the status of the preference date if the papers were removed from the office for just cause. (i.e. tattoo, corrections, change of ownership, etc.).

KANSAS BRED PREFERENCE

Each organization licensee shall in good faith offer at least one race limited to Kansas-bred or Kansas-foaled horses on each racing day and shall make a good faith attempt to conduct an average of one Kansas-bred race per day. Kansas-bred horses shall be preferred entries. Awards and monies shall be paid only to the owners of Kansas-bred horses. If there are five Kansas-bred entries, a Kansas-bred only race shall be run.
